## TE KARERE O TE KURA

17 May 2017

Kia ora Whanau,

Thank you for your continued support of our school.

To those who recently attended whanau hui at school, and all those who helped participated, volunteered at our gala last term. Some say you can gauge the health of a school by how welcome whanau feel and how much they involve themselves in the school.

A flyer has been delivered to every letter box in Moerewa inviting them to a korero at Otiria Marae next Wednesday, to discuss the vision or future direction for the school. It will start with a mihi whakatau at 10am.

This does not mean we are looking to change anything. It is simply a desire to hear from our community first hand if we are on the right track. We have been also asking this of whanau at our whanau hui and we plan to pose this question to our tamariki also.

Nga mihi nui ki a koutou katoa,

### Netball Team Cake Stall – this Friday

Our netball team are fundraising to help cover the cost of netball over the season.

This Friday 19<sup>th</sup> May they will be having a cake stall at morning tea time. The netball team would appreciate any help by way of delicious home baked goods. If you can help, please drop off to the school before 10.30am on Friday.

### Moerewa School Writers' Group

At the beginning of this term we launched a Writers' Group for seniors and juniors. We meet each Monday to share ideas, discuss and critique our writing and enjoy the writing process. Our goal is to publish our poems, stories and books by the end of this year as well as enter writing competitions along the way. Watch this space...

### International Drawing Day

This Tuesday 16 May, was International Drawing Day. We celebrated by spending our lunchtime sketching, drawing, colouring and talking about art. It was so successful we intend making these drawing sessions a regular feature of our week. Stay tuned for samples of our artwork.

**Whanau Matariki doing "Jump Jam"** first thing in the morning to get themselves warmed up and alert for the rest of the day.
