GOD'S BAD DAY

Once upon a time god had a bad day . There were a crew of sailors. They were sailing to Africa. King Arthur was on that sail boat . King Arthur did a bad thing to god . He cut all the trees down and ripped all the plants out. God got so angry he made waves as big as mountains. He made it so windy that all the houses that got built broke down. God got so angry the land got destroyed. When god settled down it started to rain. Thunder came. The thunder was so big that it cracked the ground open. King Arthur tried to apologise, but he just couldn't . Because god was so angry King Arthur thought how am I going to fix this. I should just say it. He said sorry I'm sorry god for what I did ". I promise I would not do it again. God didn't accept it . King Arthur said it again . God said why did you do that? Because I am a bad guy . I am really sorry with all my heart. "Now are we friends again", said King Arthur. Then they ended the day happy.

The mouse who danced

*A bright silver moon beam came sliding through the attic window. In the attic window was old toys and a tiny mouse dancing. The mouse who danced was Fae mouse. She danced so quietly that the humans couldn't hear her. Many mice started crowding her. They were clapping and cheering for her. Suddenly the humans woke up. "Quiet!" said the humans. Just as they woke up Fae the mouse stopped dancing.
