

Moerewa School

TE KARERE O TE KURA

19 June 2020

Tēna tatou e te whānau

Our whānau are really important to us and we want to acknowledge the resilience of our community. Moerewa School will be holding a Whanau Day on the 1st July 2020. We want to provide a place and space for our community to come together, eat together and 'hang out'. We will share some light banter, cool yarns and enjoy the entertainment that will be on offer. Nau mai, haere mai!

Kura Chrome Books

We want to thank all those whanau who have returned Chromebooks to kura. We have been informed by the Ministry of Education that the final delivery of Chromebooks, that were due for delivery during alert levels 3 and 4, should be delivered to homes within the next few days.

These Chromebooks will need to be returned to kura so that our IT specialists can reconfigure them onto our school network. They will then be distributed to our classrooms for use by our tamariki.

Cold Weather Kakahu

If whānau need awahi with school uniforms, in particular school jersey's, jackets and shoes, please let us know. As the cold weather sets in we want our tamariki to be toasty warm this winter.

Full school panui will be sent home next week.
