TE KARERE O TE KURA

7 December 2020

I know we said the last newsletter was the last for 2020 but we have more exciting things to share so here we are again.

Early Closing this Friday (Last day Term 4)

A reminder that school will finish at 1pm this Friday. The buses will run in the morning as usual but there will be no bus in the afternoon. We are asking whanau to collect their children however if you are unable to do this please let the office know immediately so we can organize a van to deliver them home just after 1pm.

Targeted Learning Hub

Whaea Aggie has a new role in a 'Targeted Learning Hub' in 2021.

She will be working with small focus groups of students in Maths, Reading & Writing. She will also be doing some community project work with the senior students, organising whole school events with a focus on celebrating achievement and raising awareness of the amazing things happening in our community. The Targeted Learning Hub will be located in Room 2!

Moerewa School Sports Corner

Water Safe and Boat Safety

Tamariki learned survival skills in the water, how to float and how to use each other for support. They also got a free swimming cap.

A special thanks to Corinna from Watersafe!

Kiwitag Festival

This year we have had Henry Wiki coming into our school to coach our tamariki and teach them some important rugby league skills.

At the recent tournament, both our Year 5 & 6 team and our Year 7 & 8 team placed second. Well done to TKKMOT for taking out the top spots!

The biggest mihi goes out to Henry Wiki, from Rugby League NZ for the mahi he does in our community and kura.

Cricket Awareness

This term our tamariki go to try a new sport...CRICKET! They really enjoyed the modified version of the game and we will now see more diversity in the sports that our tamariki play.

A huge thanks to Neal Parlane of Northland Cricket for sharing his skills with us and also for gifting us with amazing new cricket gear!

Motatau Kura Day

Whanau Kopunui recently spent the day at Motatau school in an exchange of sports and whanaungatanga. This was a wonderful way to end our year with our whanau in Motatau.

A huge mihi to Whaea Donna and her staff for making our day amazing! We look forward to hosting Motatau school in Term 1.

Thanks to Whaea Margie for your organisation of our day!

Bike Riding

A group of our senior boys have been on regular outings along various cycle-ways in our rohe. They have enjoyed being outdoors and they developed very good working relationships, organisational skills, and self-care strategies.

Thanks to Matua Mike and Chelsea for their support over the term. Next year we will continue on with this kaupapa with other groups of tamariki.

School Swimming

It has been great to see our tamariki using our school pool.

A big shout out to Matua Mike for keeping our pool sparkling clean!

There will a lot of sporting opportunities happening next year. If you would like to support with coaching or being a regular support person, helping out on sports trips and other events, please let me know.

Have a safe and enjoyable holiday!

Whaea Deb Marsh

Reports will be going home with whanau on Friday. If you are unable to collect they will be posted.
