

Second Hand Uniform

We may have a very small supply of second hand uniforms available. Please enquire at the office if you are interested in purchasing these.

New Enrolments

Students who are new to the school will be required; as a condition of enrolment, to purchase a school uniform within 2 weeks of their first day at school.

Financial Assistance

Parents may prefer to purchase the school uniform to suit seasonal variations.

The sweatshirts can be purchased as colder weather sets in spreading the cost over the year.

Work and Income New Zealand may provide some families with assistance with uniform costs.

Please name all items of your child's uniform.

(If your child's uniform does NOT have his/her name attached to it in some way, it will be extremely difficult to identify. Please name every item but be careful that this does not show on the outside of the garment.)

Uniform Information

Moerewa School Uniform

Compulsory Uniform.

The wearing of our uniform is compulsory for all students at Moerewa School.

All students are expected to be wearing the uniform within 2 weeks of enrolment.

The shorts are available for both boys and girls.

PE Uniform

Families are expected to purchase a school PE T- Shirt for sports etc, from our school office. A pair of plain black shorts is also required but can be purchased elsewhere if necessary.

Where to Buy.

The uniform can only be purchased from the school office as all items carry the school emblem.

Parents may want to consider purchasing an extra shirt for those days when students' uniform gets dirty. In the cooler months pupils are allowed to wear a black skivvy under their polo shirt, if they feel the cold.

Correct Shoes

Shoes are not available through the school and must be purchased elsewhere. Our shoe requirements for the summer months are plain black school sandals or jandals. In winter we expect students to have plain black lace up shoes and black socks.

Uniform Standards

Whanau can expect us to be very strict with uniform standards. We expect all children to be in perfect school uniform at all times.

Children who come to school out of uniform are required to bring a note from their parents explaining why. Students who do not bring a note will be referred to the Principal.
