First Aid Training for All Staff

On Tuesday 29th June, school will be closing at the earlier time of 1pm so that all our staff can update their first aid training. Bus pupils that can't be picked up at this time will be supervised until the buses arrive at their usual time. OSCAR will be closed as well.

We apologise for any inconvenience but having staff trained in first aid is essential.

Teacher Only Day

Friday 9 July (Last day of term).

There will be no school for tamariki on this day. OSCAR will also be closed.

The purpose of Teacher Only Day is to refresh and deepen our knowledge and practice around our local curriculum - We will be visiting sites of historical significance with a focus on local history.

This is our second ACCORD day for the year and does not need to be made up at the end of the year.

New Turf

Installation of our new turf has been completed and our tamariki are enjoying having this resource in our school. We are awaiting our new basketball/netball hoops which are due to arrive in the next two weeks. A huge mihi to Tamati Cherrington for installing the new sleeves for our goalposts. Without his awhi we would have had to delay the installation of our turf! Nga mihi maioha!

Kidscan Jackets

We have received some new jackets from Kidscans which are proving popular but be aware that we are only allowed to order a few at a time and not enough for everyone initially. Most jackets have already been given out and we will notify whanau when more are available

Matariki Celebration

New Direction for our kura - July 7 10am start

More information to follow.

Keep a watch on our facebook page.

KEY DATES

25 June	Maromaku Sport Day
29 June	First Aid Training All Staff
7 July	School Matariki Celebration
8 July	Last day for pupils TERM 2
9 July	Teacher Only Day
26 July	Term 3 starts

Mid Term Reports

Our Mid Term Progress Reports will be ready for whanau to collect at our Matariki Celebration day, Wednesday 7 July. Reports not collected will be sent home with pupils on the following day

BOARD OF TRUSTEES HUI DATES

June 24

July 24

Healthy Lunches Update

We are grateful to be part of Ka Ora, Ka Ako, Healthy School Lunches. On Monday-Thursday we are supplied with kai from The Catering Box. On Friday we have Subway. We are working closely with Qwayd Armstrong to refine the menu and ensure our tamariki are getting the most out of the kai they are receiving.

EDUCATION REVIEW OFFICE
Te Tari Arotake Mātauranga

Education Review Office will be visiting our school on June 14-16 to complete a verification visit. We welcome Te Aroha Knight and Zoe Lindsay, our ERO review officers who have been working closely with our school recently.

NO MORE CHEQUES

BANKS ARE CURRENTLY IN THE PROCESS OF NO LONGER ACCEPTING CHEQUES. AS A RESULT OF THIS MOERewa SCHOOL WILL NO LONGER BE ABLE TO ACCEPT PAYMENTS BY CHEQUE EITHER. PLEASE SEE JAYNE AT THE OFFICE IF THIS IS AN ISSUE FOR YOU.

We noticed our copier is not printing as well as expected. For a clearer look at the photos in this newsletter either open it in our facebook post or from our school website. www.moerewa.school.nz

Careers EXPO 2021

A huge thank you to all our whanau who supported our Senior students on this EPIC day. The students enjoyed the experience and the opportunities that were available for them to explore and guide them towards future pathways.

Their behaviour was amazing in Auckland and they showed true leadership as Seniors.

Nga Mihi

SnapShot Hui

Our Snap Shot hui and Term 1 display of pupils work at the end of last term was a great afternoon and really showed off the students hard work.

Term 1 - Interschool Kiwi Tag

Room 7 workshop technology class in Term 1. An amazing result from these students.

Whanau Matariki

Our kaupapa this term is around Hauora. Te Whare Tapa Whā is a model of wellbeing which provides a Māori perspective on health. The 4 pou are Taha Tinana (physical wellbeing), Taha Hinengaro (mental wellbeing), Taha Whānau (family wellbeing) and Taha Wairua (spiritual wellbeing). Our tamariki are developing their knowledge around these pou.

Temepara presenting her mahi for te taha tinana.

Kopunui

Kopunui welcome Whangarei Intermediate to Otria Marae. "Top Job Jason and Jacquii under the guidance of our Matua Daniel"

- Whanau team building, whanaungatanga games.

Getting some hakinakina in. "Nice defence Makayla"

KOPUNUI

He mihi mahana kia tatou katoa nga whanau whanui o te kura o Moerewa. Kua tae matou ki te waenga o tenei wahanga, aue tino horo haere te waa. Haramai!

Ko te kaupapa o tenei wahanga ko te Hauora. Hei tapiri tenei wahanga ki te wahanga o mua ka puta mai tenei kaupapa ko te Hauora o te taiao, me nga tangata e noho mai nei. Ka ako matou i nga ahuatanga o te whare tapa wha e paa ana ki wa matou hauora. Ka mohio matau, aa ka ako nga tamariki ehara ana te kai me te kori tinana nga ahuatanga o te hauora anake. Ka akongia enei tamariki "He aha te kai hei whangai nga taha e wha o tona whare tapa wha. Kia aro mai koutou ki nga hua e whai ake nei.

This term our kura kaupapa is Hauora. When we merge this kaupapa with the previous terms kaupapa of Taiao, we get the health of our environment and the people within it. The environment Kopunui focused on was our school environment and making it a happy and healthy environment for all. Added to this focus of a healthy environment, Kopunui are also looking at the Whare Tapa Wha and the role that each side plays in our overall health. It's been a beauty so far whanau, keep an eye out for the fruits of our kids labour.

Taki is super proud of his efforts

Wendy found a trap at Aroha Island

Moerewa School Hauora Hub

We have been working closely with the **Ngati Hine Health Trust** to establish an onsite hauora hub/clinic for our tamariki. The purpose behind this initiative is to ensure that our tamariki have access to ongoing health services that will benefit their overall health and wellbeing. We must continue to break down the barriers that exist in health that are just not delivering excellent outcomes for our whānau.

We appreciate the opportunity to come together with the **Ngati Hine Health Trust** and we look forward to empowering our tamariki, whanau and hapu through this initiative.

Our first clinic will begin at the end of June (date to be confirmed). A separate panui will come out with more detailed information and registration.

Please watch this space!!!!

Bomber enjoying one of our recent sausage sizzles.

Room 6 art

Kia ora OSCAR Whanau,

After School/Holiday Programme - Placement

The positive numbers have climbed over Term 1 bringing us to a possible 18/19 enrolled tamariki in the After School Programme leaving us with 1 or 2 vacancies from our capped limit this term.

We always have a definite interest of 20+ for the Holiday Programme. We're limiting this programme to 20 at this stage due to staff and transport. If there are any changes to this we will let you know.

This is just a friendly reminder that Moerewa School students will be given first priority to either programme. After 11 June spaces will become available for the holiday programme for students who do not attend our school.

If our Moerewa School Whanau would make contact by Friday 11th June, 2021 to confirm their child/childrens placement in the Holiday Programme that would be greatly appreciated.

If you have outstanding fees please pay promptly. For those of you who wish to be invoiced the School office will send these at your request. Any issues again, feel free to come in and have a korero.

Closure

Due to a Full Staff Training Day and a Teacher ONLY Day there will be **NO** After School Programme on **Tuesday 29th June** and **Friday 9th July, 2021**. Sorry for any inconvenience this may cause you.

Keep warm and be well out there Whanau as these Winter days settle in. We look forward to further korero throughout the term.

OSCAR

Whanau Kopunui celebrating Taki's huritau

Ngati Hine Health rheumatic nurses come in twice a week to check and swab sore throats. Please let your child's teacher know if you would like him/her checked.

Students from Room 6, practising the game

Sore throats can lead to rheumatic fever and heart damage.

Our school provides a throat check service. If your child has a sore throat, ask them to tell you or their teacher so it can be checked.

Moerewa Innovating Streets for People

'Innovating Streets for People' is a national programme funded by Waka Kotahi (New Zealand Transport Authority). It creates temporary projects that are trialling ways of making streets safer for whānau and tamariki.

In June and July, contractors will be on site installing the 'Innovating Streets for People' project outside Moerewa School and Otiria Marae on Otiria Road.

The Moerewa innovating streets project has been designed by ĀKAU studio, working with tamariki from Moerewa School, and it includes beautiful tamariki-inspired graphics by local artist Lorraine King. The aim of the project is to slow traffic on Otiria Road and create safer spaces for tamariki outside Moerewa School.

Once the project is in, it might take a bit to get used to! We ask whānau to āta haere through the site, particularly while you're getting used to the new layout. The project kaimahi will be back after it has been installed to ask the community how it's working.

We will be reducing traffic entering the school as the road graphics and raised pedestrian are installed. Drop offs and pick ups will only be allowed near the town side of the current pedestrian crossing. We will communicate this as development progresses. You may see more staff out and about as the development builds.

We are really excited to see this mahi taking place knowing how dangerous it can be on Otiria Road. We would like to thank our Board member and whanaunga Lorraine King for her ongoing support of our tamariki and community, Tukaha Milne for working with our tamariki on our local stories and designs for the project, ĀKAU for keeping us informed throughout the design process and of course, our community for their resilience and patience. These developments have been a long time coming!
