## Kia ora e te whānau

Tēnā koutou e te whānau! Nau mai, hoki mai ki te wāhanga tuatoru!

This term's kaupapa is Toitū te Reo Māori, so you already know we'll be keeping the reo strong. Keep an eye out for our Kuku Kōrero battle later this term – it's gonna be great!

Kapa Haka's still pumping in small wānanga, focusing on Haka Pōwhiri and learning some fresh new waiata with Matua Huru, Daniel and Lauren.

Sports is stacked this term – we've got cross-country coming up, fundamentals for our teina, and lunchtime sports to keep the energy high for everyone.

Our Attendance Aunty is still out there checking in, doing drop-bys if needed. Let us know if your tamaiti is gonna be away – keep us in the loop. We're also doing a clean-up of contact info – sometimes we can't reach whānau when stuff goes down. Flick us a message on the school FB page or ring us on 0800 MOEREWA with your updated details.

Big ups to Tere Awatea – you smashed it with the best attendance last term! Whānau Otiria, you were right behind – kei runga noa atu!

And finally – safe travels to our Pouwhirinaki Daniel Ryan, as he heads off to Tahiti alongside his kapa and other kaihaka from across Te Tai Tokerau. Kia haumaru tō koutou haerenga mai ki Tahiti.

## Matariki Gala

We're still crunching the numbers, but as soon as the costs and income are finalised, we'll let everyone know the total amount raised from our fundraising efforts!

We're still overwhelmed — what a turnout! Words fall short in expressing just how grateful we are to our community for showing up, showing out, and making our gala the absolute hit.

We still have many sponsors to thank and will be doing a 'creative' thank you to everyone! Keep your eyes on our socials - everyone seemed to enjoy the skits that our tamariki did in the lead up to our gala.
